PPE Assignment, Training, and Fit-Test Log

All employees that are issued Personal Protective Equipment (PPE) will be trained on the following:

- 1) When PPE is required and why
- 2) How to wear PPE properly
- 3) PPE capabilities and limitations
- 4) PPE care and maintenance

Each employee is fitted properly with the assigned PPE.

The following employee has been assigned PPE, has been fit tested, and has received training.

Name of Employee: _____ Name of Trainer: _____

The following table lists all PPE that this employee has received.

Type of PPE	Date Issued	Manufacturer/Model	Comments

By signing below, the employee acknowledges that he has been assigned the equipment listed above. The employee also acknowledges that he has been properly fitted with the equipment and understands the training received from QC's qualified trainer.
